

Career Seminar

~Working in International Organizations~

In this seminar, the idea of “Globally Competent Human Resources” who can be successful in international organizations will be explained by the responsible person from the Ministry of Foreign Affairs of Japan. Required skills and career development will be clarified as well. In addition, two Japanese persons who work in international organizations will talk about their own experiences.

It will be a great opportunity for students to think about their future career in the global fields.
