

**Supplement No. 4 to Part 744 - ENTITY LIST**

This Supplement lists certain entities subject to license requirements for specified items under this part 744 and part 746 of the EAR. License requirements for these entities include exports, reexports, and transfers (in-country) unless otherwise stated. This list of entities is revised and updated on a periodic basis in this Supplement by adding new or amended notifications and deleting notifications no longer in effect.

| COUNTRY     | ENTITY                                                                                                                                                                                                                                                                                             | LICENSE REQUIREMENT                                            | LICENSE REVIEW POLICY     | FEDERAL REGISTER CITATION |
