

For NU Students

Request to Take FY2026 Compliance Education
(e-Learning Tutorial for the Appropriate Use of Public Funds)
and Research Ethics Education

① Purposes /目的

An e-Learning training will be implemented for students to learn about the rules for the execution of research and other expenses at THERS, and to enable them to act according to the rules when receiving travel expenses, rewards and salaries, and when purchasing goods. Additionally, those conducting research activities at Nagoya University are also given the opportunity to study research ethics simultaneously with compliance education.

② Persons Subject to Taking the Course /受講対象者

Fourth-year undergraduate students and above, and graduate students

*Undergraduate Students in their first year though third year can also take the course.

③ How to Take the Course /受講方法

The course will be taken using the THERS Learning Management System "TACT". Please read the "Introduction" on the TACT lecture site. The test consists of 20 questions, and **you must score at least 90 out of 100 to complete the course.**

Log in

•Click the button in the upper-right corner of the TACT screen, and Log in your THERS account UPN and Password.
